*(After this Junior title we had to wait till he became the age of 27 months because that is the

On these shows he also received some International points to get the title International

and try to get this International title.

First litter in 2013. Result: 8 female and 5 male beautiful healthy puppies.
Second litter expected in May 2014.

Greatest passion of Aico is going on a hunt with me. No problem to hunt with for a whole day.
Points, retrieves and searches very good. No problem with crossing waters, snow, mud, thorn
bushes. He is (as the German say:) sicht-laut.
